2. **Review Council Action from 6/11/2012 and discuss Tiles – Next Steps/Review of Submissions**

Keith reviewed the new rule of having 50% of tile nominations be based on an achievement before 1945. He also said there is a \$600 appropriation for the purpose of bringing forward historical figures. Discussion followed regarding a matching fund program, historical stories of significance, history/ community focus, names/stories in appropriate phases.

Harvey asked about moving forward with the third interpretative sign. April said she has been working on an improved walking guide for both Downtown and Old Town. It was the consensus to review the draft of these guides when available for possible placement in the third interpretative sign titled "Discover Your Own Gold in the Unique Auburn Adventure" and possibly incorporate the Streetscape font.

The previous nomination submissions were reviewed and April said she would create a 300 character or less write up on 4 or 5 of the top characters mentioned.

Future Agenda items

Follow up on the map of Old Town and Downtown as a possible option for the 3rd interpretive sign.

Follow up on the previous submissions and April's write-ups on historical figures. The next meeting will be 8/22/2012 at 5pm.
